

TOLO TOLO

The film «Tolo Tolo» is a comedy.

It is set in Italy and Africa in the present. The story is about an Italian who went to Africa and met the Africans who left their country.

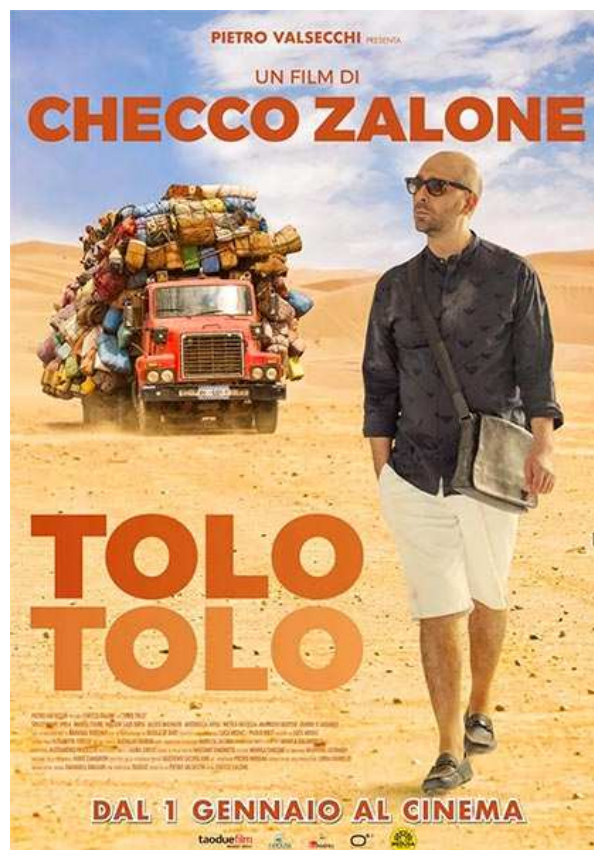

Luca Pasquale de Medici, alias Checco Zalone, is the director and the main actor of this film.

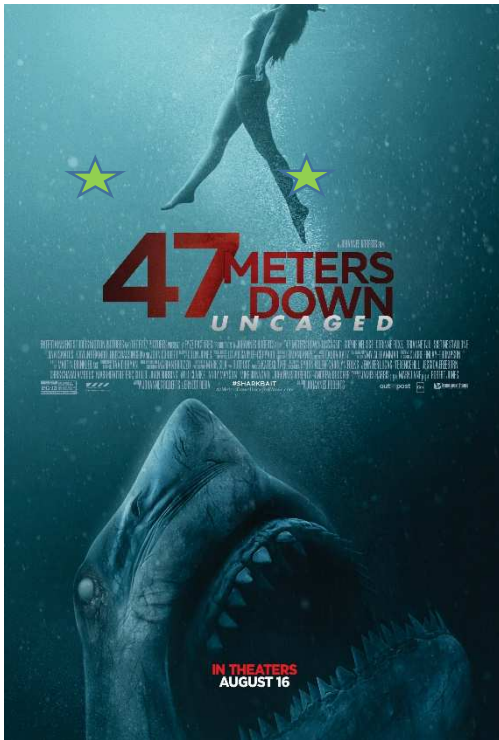

I didn't like it because it is too serious. "Tolo Tolo" wasn't nominated for any awards.

I don't recommend it.

I gave it ★★

47 METERS DOWN

The title of the film is “47 meters down”.

It’s an action/horror film.

Mandy Moore stars as Lisa and Clair Holt stars as Kate.

This film is directed by Johannes Roberts and edited by Martin Brinkler.

It is set in Mexico under the sea in 2017.

It’s about two sisters trapped in a shark cage at the bottom of the ocean during a vacation in Mexico.

They have less than an hour of oxygen and big sharks are all around the cage.

They must find a way to escape and to survive.

The movie is exciting, shocking and a little bit scary .

I recommend it to lovers of shark movies.

It’s thrilling, fast moving and really amazing.

I’ll give 4 stars to this spectacular story!

BREAKFAST AT TIFFANY'S

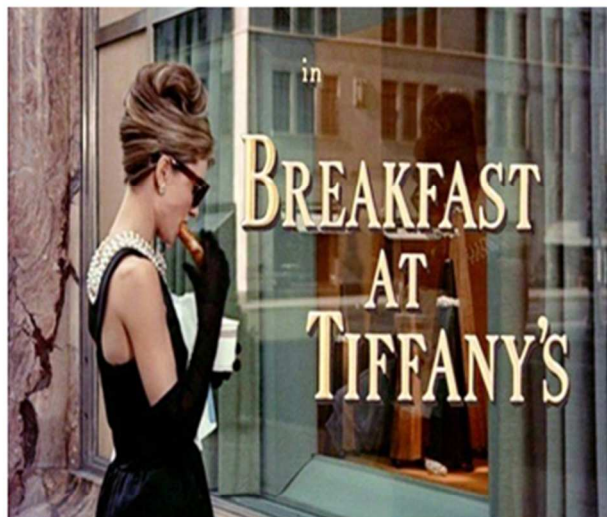

IT IS A ROMANTIC COMEDY. IT STARS AUDREY HEPBURN AND GEORGE PEPPARD. IT IS SET IN NEW YORK ON THE 20th OF DECEMBER 1961.

IT TELLS THE STORY OF:

THE CHARMING HOLLY, WHO IS CONSTANTLY LOOKING FOR A WEALTHY MAN TO MARRY, MEETS THE STRANGE WRITER PAUL IN A CONDOMINIUM IN MANHATTAN.

I LIKED IT BECAUSE IT IS ROMANTIC, SENTIMENTAL AND A TEAR-JERKER.

I GIVE IT:

FILM REVIEW – INDEPENDENCE DAY

"Independence day" is a fantastic sci-fi film, that's set in the USA, in a little part of the film it is set in in the area 51 on the 4th July, Independence day.

There are a lot of actors in this film, for example it stars

Will Smith as Capitan Steve Hiller; the director is Ronald Emmerich.

The movie tells the story of an alien attack of the earth when the american militar forces combat for life and for independence.

I think that is a fantastic film. That's my favourite movie because it is exciting and in some parts of the movie I laughted a lot.

I give 5 stars to this film.

The Goonies

The name of the film is **THE GOONIES**. The actors are Sean Austin, Josh Birdin, Corey Feldman, Jeff Ke Quan and the director is Richard Donner. It is both a romantic and adventurous film. It was shot in the United States around 1985.

The film is about seven guys who embark on an adventure, looking for a mysterious treasure,

but they are not only ones who want the treasure!

Throughout the journey they are chased by a family of thieves. The guys will have to be careful. Getting out of it won't be easy!

I loved this movie because it is a lot of fun and it is so wonderful. I have seen it many times because it is a really good story.

by Giada Oglialoro

The film is **Five Feet Apart**. The stars are Cole Sprouse and Haley Lu Richardson. They star as Will and Stella. This is a romantic drama that tells the story of two teenagers that meet at a hospital and they fall in love. But they can't stay together because they have cystic fibrosis.

The film was directed by Justin Baldoni.

I saw that film with my friends in year 2019, I liked it because it is based on a true story. It is moving, but some people think it is too mushy and silly.

I want to give this film 4 stars because it is a really good romantic drama.

I don't know if it was a candidate for an Oscar but I want to give it an award for the best cast.

FILM REVIEW

The title of the film is WONDER. It's a dramatic - comedy and it tells the story of an ugly boy who never goes to school. Here he meets 3 guys Julian, Jack and Charlotte. He and Jack are friends because his mom forces him to be Auggie's friend. But at Halloween August hears Jack say if he had Auggie's face he would die. So Auggie becomes sad and angry with Jack. One day they become friends again and they go on a school trip happy.

The stars are Julia Roberts, Owen Wilson, Izabela Vidovic and Jacob Trambley... It's set in New York in 2017 and it won an Oscar. I liked this film because it was moving, involving and a tear – Jerker.
